## DIRECTIONS TO KIPPS RUN SWIM CLUB

(If you'd like to come and look us over)

**From Danville:** Travel from Danville across the bridge toward Riverside, cross the railroad tracks and continue straight onto Sunbury Road. Sunbury Road immediately curves right at the "Stop Except for Right Turn" sign. Follow this right turn and travel for approximately 2 miles. Pass the Danville-Riverside Airport on the left and Whitenight's Farm Market on the right. Continue through a development called "Sunny Acres". Cross a small bridge, and immediately turn LEFT at the Crossroads sign marked Kipps Run Road, and continue for ~ 200 yards to Boyce Road. Turn Right at Boyce where you'll see a group of mailboxes. Almost immediately after you turn, the first driveway on your Left is Kipps Run Swim Club. Total distance from Danville is 2.5 miles. Please feel free to drive over, enjoy the shade, and take a look around! Thanks for your time and interest!
